Profile

Video Producer with a vast skill set derived from freelancing, professional photography, government contracting, and musical endeavors. Keen ability to recognize flaws in video, audio, and animation. Adaptable to new processes and purveyor of quality control. Capable of managing multiple projects at once with efficiency and integrity. Prolific musician and band leader in the DC area with experience in paid performance and writing music.

Experience

Video Producer, 2018-2025
Entrepreneurs' Organization

- Managed international video and photo teams on-site and in post-production
- Managed organization-wide video projects
